Paean added to website after 50 Year Reunion

## *Foreword*

Contained in this book is a history of a school year, for that is the purpose of the PAEAN. During this year, and every school year, there were big dances, important sports events, grand musical and dramatic productions, and beneficial participation in school clubs and organizations, but the real purpose of attending school is not just the taking part in its activities but it is the gaining of an education. Thus, this must also be a primary concern of the PAEAN.

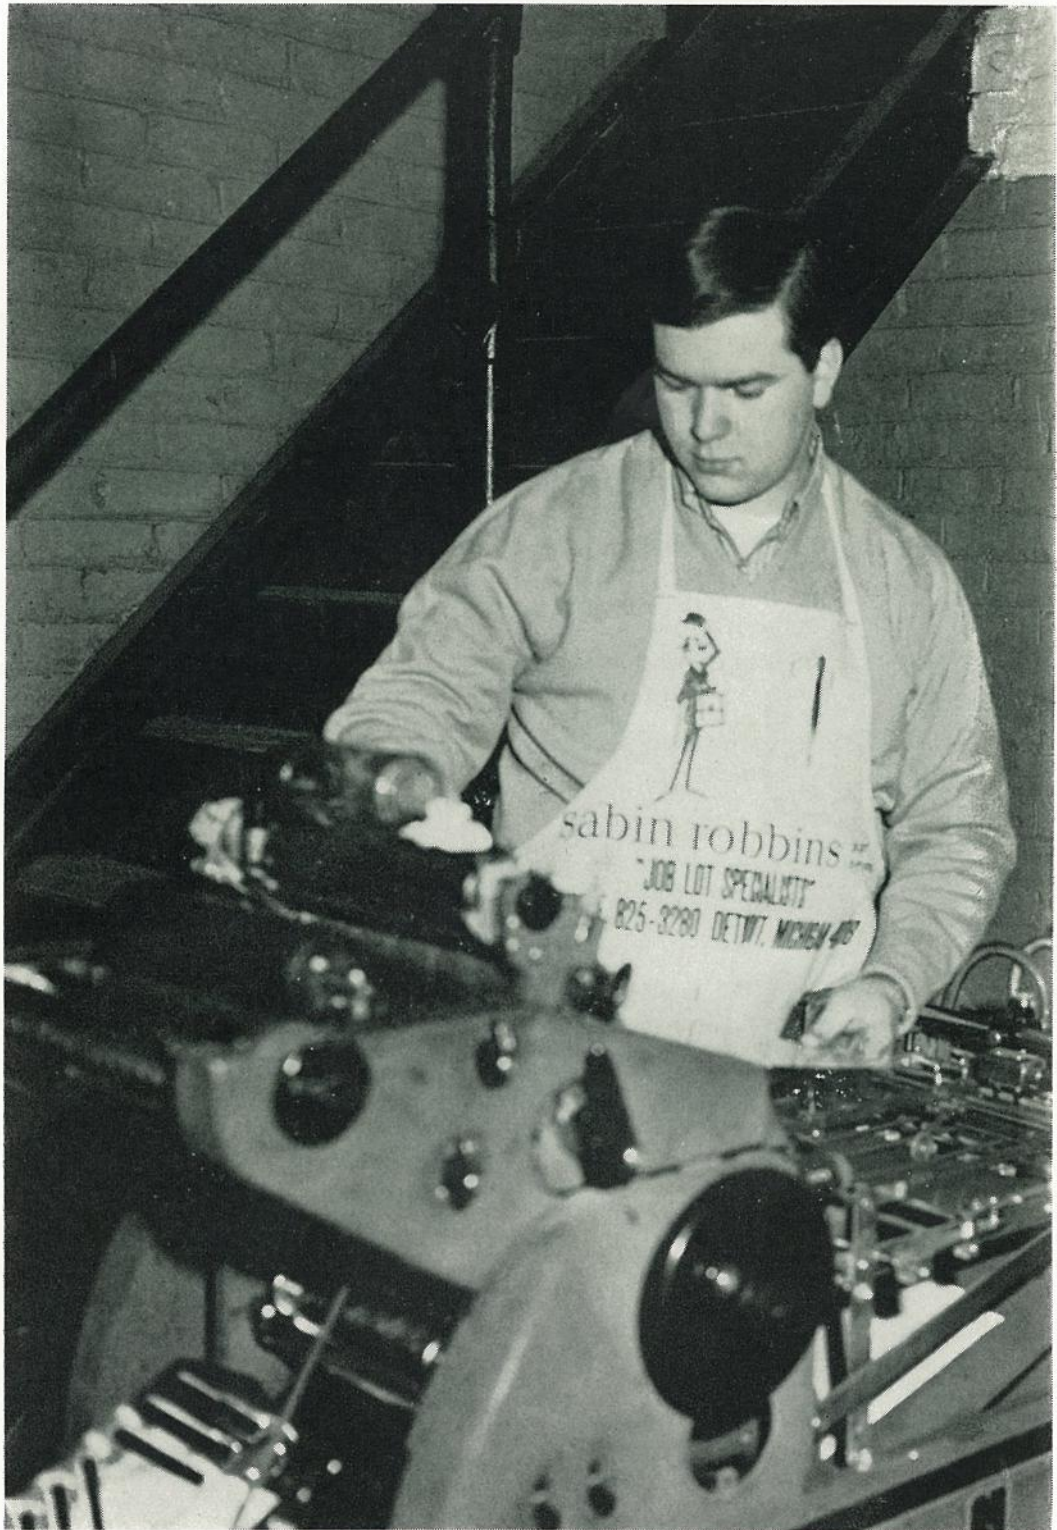

What is the importance of an education? If in each generation, man had to start from scratch, obviously he would never make any advancement, but fortunately, each generation may benefit, through education, from the accomplishments and mistakes of previous generations. Of course the cycle is not continued unless each generation makes its own contributions to mankind. Our generation is no different. Although some members of our generation express the opinion that we owe no debt to the world, or to past generations, and that life comes without responsibilities, others of us recognize our duty to further the advancement of civilization.

Each must make his own contribution: the workman at his bench, the scientist in his lab, the poet at his desk. Then this is the purpose of an education, to give to each man some means by which he may better himself and mankind. To some an education means the learning of a skill, to others an education means the gaining of a needed background for a profession, and for still others an education means the developing of a special talent. In the end, an education must provide to each a media by which man may learn to understand himself, and thus find peace.

Education is a two way street and unless the student is willing to learn, the educator cannot teach. May the student be willing and the educator able.

'65 Paean  
Battle Creek Central  
Battle Creek, Michigan

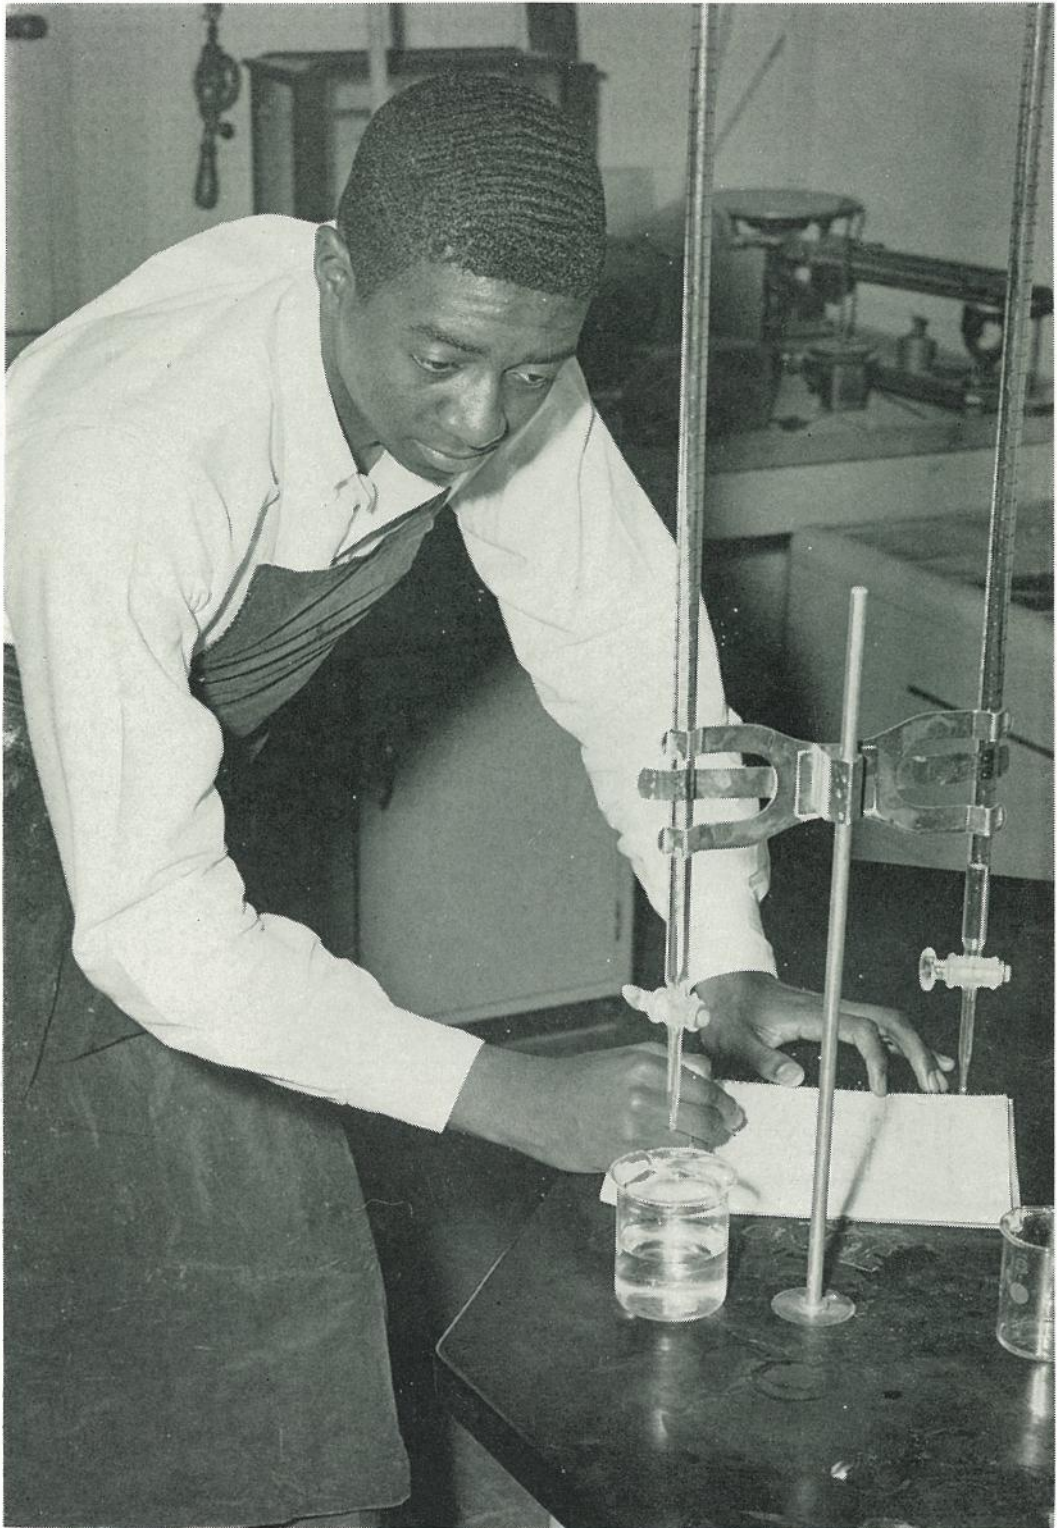

To some students an education means the  
learning of a skill.

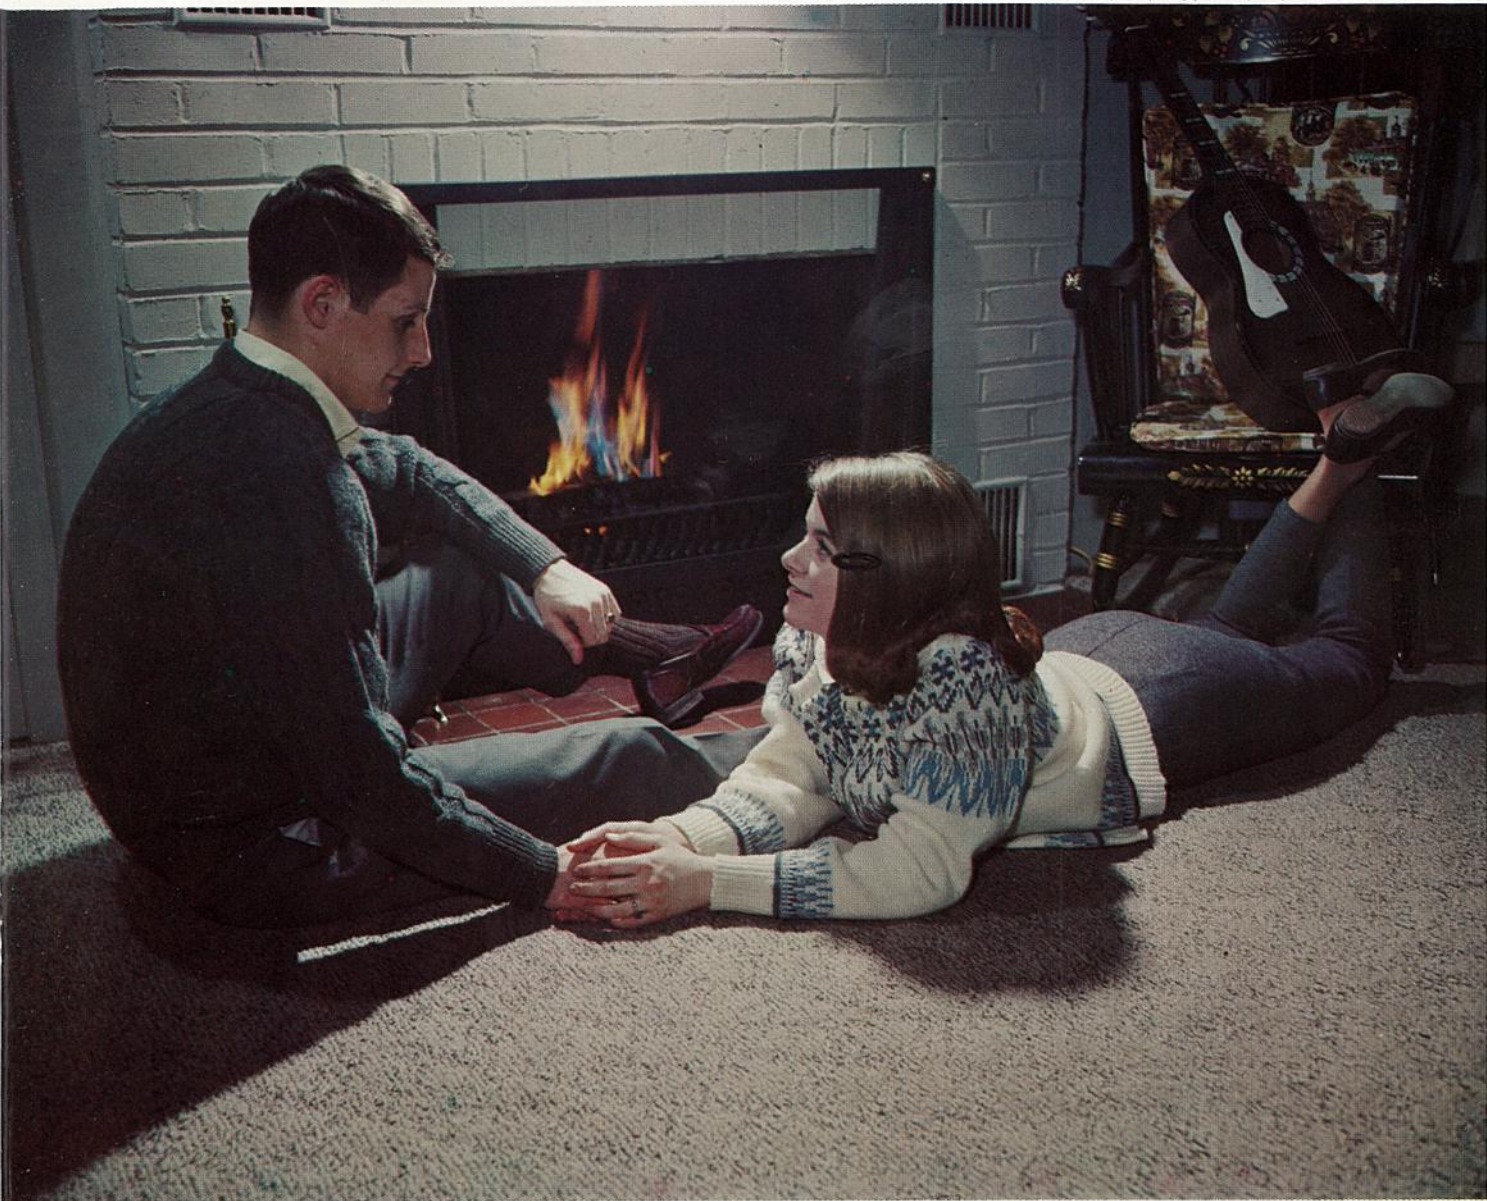

To others an education means the nourishing of the  
mind, the spurring on towards intellectual  
discoveries.

To still others an education means the gaining of the needed background for a certain profession.

In the end an education must provide for each of its recipients a means by which he may learn to understand himself, and thus find peace.

## *In Appreciation . . .*

MR. FLOYD OGLESBY

Miss Frances McCowen has been teaching at Central for twenty-six years. Through these years she has devoted much of her time and effort to the field of education. Her devotion has been appreciated by all those students who have had the opportunity to work with her in a student-faculty relationship, and we, the Paean staff, would like to give recognition to Miss Frances McCowen, with the hope that she will have an enjoyable retirement.

MRS. HELEN SAGER

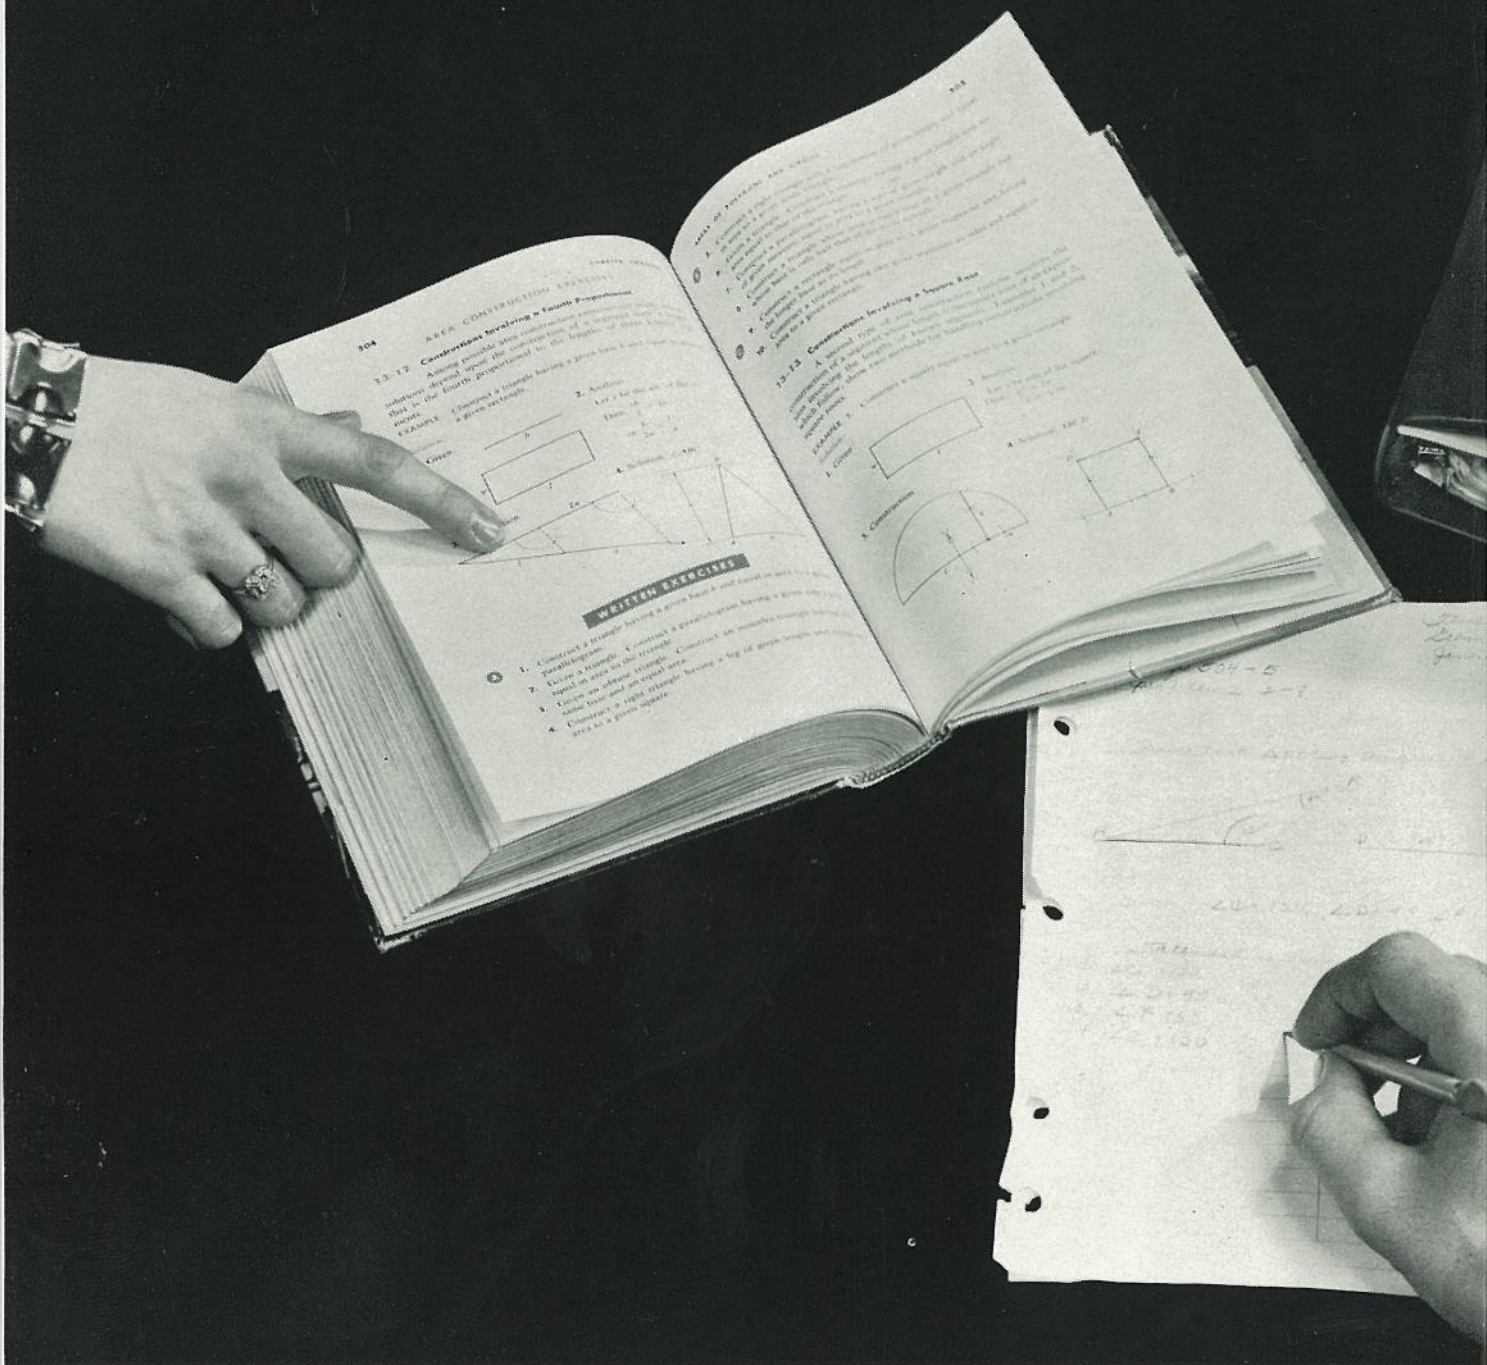

This year's PAEAN is dedicated to Mr. Floyd Oglesby. For the past twelve years, Mr. Oglesby has served Central well. He came to BCCHS in the '53-'54 year and began teaching U. S. History and also contributed to extra-curricular activities by being assistant football and head wrestling coach. In '59 he became a counselor and continued as head wrestling coach. Four years later he took on the new position of director of counselors. Throughout his career at Central, he has achieved great distinction in the field of counseling and has always been thought of by the students as someone whom they could turn to. He has gained respect in his efforts to better student-faculty relationships. We would like to wish best luck to Mr. Oglesby and his family in their future in Arizona.

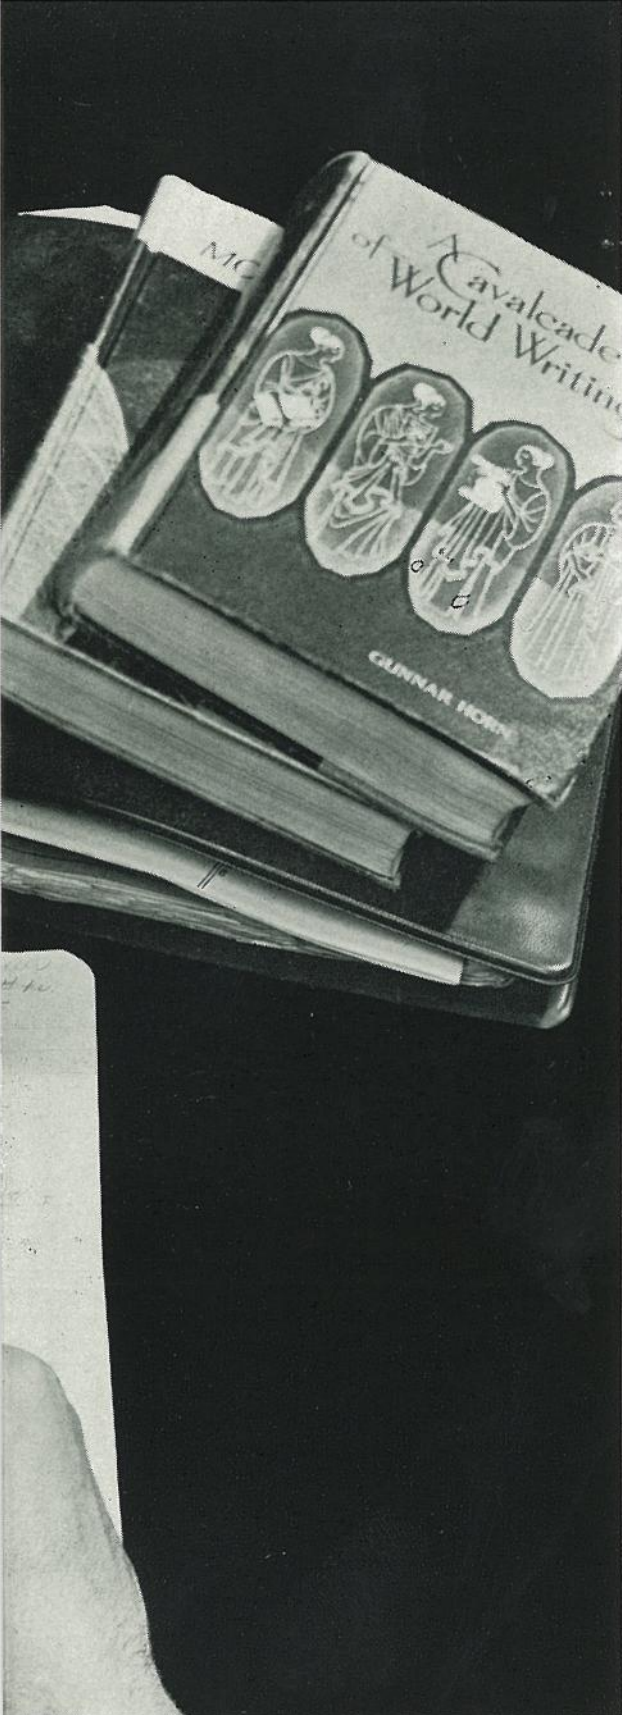

MISS FRANCES McCOWEN

The vocational department here at Central High has benefited from the thirty-four years of effort extended by Mrs. Helen Sager. Mrs. Sager has served her students as a business education teacher, and enlightened many of them to the business career opportunities of the working world. We would hope that her retirement is filled with years of contentment. Also we hope that thoughts of Battle Creek Central will always bring her pleasant memories.

# ADMINISTRATION

The guiding hands of our faculty are striving to commute the wisdom gained through their experiences. They offer to our generation no shortcuts to knowledge nor instant answers to life's problems, but rather lead us to a storehouse of knowledge which we must endeavor to unlock by ourselves.

Only until we find ourselves faced with the vast challenges of the world, will we be able to fully appreciate the insight which our faculty has presented so willingly.

If through the years of a teaching career, a teacher is able to stimulate only a few young minds, this accomplishment makes it all worthwhile. Thank-you.

## *Battle Creek Public Schools Are Headed by the Board of Education*

The responsibility of running the Battle Creek Public School System rests in the capable hands of the Board of Education and Mr. Harry R. Davidson, Superintendent. Through their endless efforts, the Battle Creek Public Schools continue to be among the best schools in the state.

Anxiously awaiting the start of their regular monthly meeting are the members of the School Board and Administration. Starting in the foreground of the picture and continuing clockwise around the table are: Mr. Ben F. Ahlschwede, Assistant Superintendent; Dr. Richard Whitmore, College Director; Mr. Robert D. Gifford, Secretary; Mr. R. L. DeWindt, Director of Business Affairs; Mr. Harry R. Davidson, Superintendent; Mr. John A. Taylor, President; Mr. Allen Shaffer, Vice President; Mr. Robert McCleery, Treasurer; Mr. W. J. McQuiston, Trustee; Mr. Leo M. Shaw, Trustee; and Mr. Lloyd Humbarger, Trustee.

## Cafeteria

For the first time in Central's history students are able to eat hot, well-balanced meals from their own cafeteria. Always in past years the W. K. Junior High Cafeteria had to provide for its students plus those from Central. This great service that Central is supplied with is made possible through the cafeteria workers and is greatly appreciated by both students and faculty members.

## Maintenance

The "back-stage" workers of Central High are the maintenance crew members. Every night after the students are dismissed from school, these men begin their job of cleaning up Central for the next day of school. Without their untiring services, Central could not be the school that it is today.

ROW 2—Mr. Hoover, Mr. Shook, Mr. Dowdle.  
ROW 1—Mr. Urton, Mr. Long, assistant chief custodian; Mr. Cote, chief custodian; Mr. Eckelbecker, Mr. Hyatte.

# SENIORS

The seeking hands of the Central seniors are grasping for new and exciting experiences. June 11 marks the end of their high school career and the beginning of new challenges and a new way of life. Memories of the vast accomplishments of this senior class will, however, linger indefinitely. Scholastic, athletic, dramatic, and forensic achievements dominated the senior scene and warrant admiration and recognition.

The experiences gained and the education received from the capable hands of the faculty have offered preparation to the class of '65 for whatever the future may bring. The capabilities exhibited by these seniors will be a help in making their contributions to mankind.

The boys at the left represented the class of '65 at Boys' State in the summer of 1964. They are: (row 2) Mike Foltz, John Damoose, Jim Dobbartin, Ray Norris, Don Merriman, Bill Schill, Dave Warren, Mark Drake; (row 1), Larry Allen, Richard Fitzpatrick, Fred Gibby, Jim McEachen, and Bob Davidson.

Sue Evans, at right, was elected by her fellow classmates as D A R Good Citizen, because of her many contributions to her school.

Sandi Berry, Liz Johnson, and Nancy Beers, left, will never forget their experiences at Girls' State. The three senior girls were chosen to represent Central at the 1964 Girls' State Convention at the U. of M.

## *Senior Counselors*

To our counselors must go our gratitude for showing us the best vantage point of our education. In this last year of high school, Miss Frances McCowen and Mr. Richard Blett have given the seniors a helping hand in finding a suitable career and/or a college for each one of them.

Miss Frances McCowen and Mr. Richard Blett discuss plans for this year's graduation as they wait for the elevator.

## *They Have Guided Their Class Through A Successful Year*

## *Senior Class Officers*

At left are the capable senior class officers: Bottom, Tom Whalen, vice president; Sally Gehrman, treasurer; John Misner, president; top, Jane Post, secretary; Phil Hersha, board member, Martha Knight, board member. Missing is Judi Stenman, board member.

## *National Honor Society Applauds Top Ranking Scholars*

Consisting of the top ranking fifteen percent of the members of the graduating senior class, the National Honor Society is the highest scholastic honor that can be achieved by a student here at Battle Creek Central High.

Central's students have been admitted into the society since the year of 1925. Membership into the society is believed to be a fitting reward to complement a student on four years of high scholastic achievement.

Eligibility in the National Honor Society is based on the average of semester grades from the ninth grade through the first semester of the twelfth grade.

# UNDERCLASSMEN

A black and white photograph showing a close-up of a person's hand holding a page from an old, open book. The hand is positioned on the right side of the page, with fingers gently gripping the edge. The page itself is aged and slightly yellowed, featuring a small, dark illustration of a ship or a coastal scene. Below the illustration, there is a block of text in a serif font. The visible text includes the words "The Spanish Main" and "A little daughter". The book is resting on a dark, textured surface, possibly a table or a desk. The lighting is soft, highlighting the texture of the paper and the skin of the hand.

# *The Junior Class Profited From Its Able Leaders*

## *Junior Class Officers*

Through the leadership of the junior class officers, the class of '66 was able to finish the year successfully. The biggest event of the junior year, the Junior Prom ("April Amor") was made possible by the diligent efforts put forth by the class officers.

Junior class officers are: (left to right) Mike Misner, treasurer; Dan Mercer, vice president; Linda Nightengale, secretary; and Larry Yarger, president.

Counselors of the Junior Class are Mr. Bokart and Mrs. Jeffers.

## *Junior Class Counselors*

Mrs. Jeffers and Mr. Bokart worked throughout the entire school year with their counselees. Their advice to the students of the class of '66 will leave an indelible impression in the young minds of the juniors.

# *Sophomore Class Officers and Counselors Perform Their Duties*

## *Sophomore Officers*

Leading their class in many activities were the sophomore class officers. In the beginning of the year they organized the sophomore social, held after school. During the winter they collected class dues, and this spring they coordinated the Sophomore Swing.

Below, seated, left to right, are Mimi Fahs, treasurer; Peggy Reynolds, secretary; Joyce Rose, vice president; and standing is sophomore president Brian Gifford.

## *Sophomore Counselors*

Performing their job of counseling, Mr. Masters and Mrs. Sinclair helped the new Centralites adjust to high school, and assisted them in the making of their schedules for the next school year.

Above, Mr. Jack Masters and Mrs. Garcia Sinclair arrive for work.

## *A Day In the Life of a Sophomore*

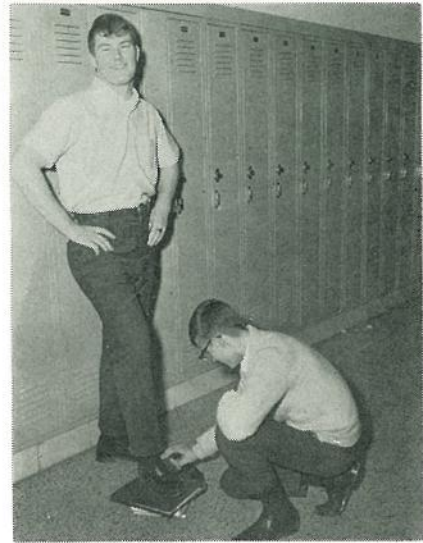

Little homework is required in the sophomore year . . .

and finding their way around Central comes naturally to sophomores.

Sophomores spend a lot of time talking to fellow classmates . . .

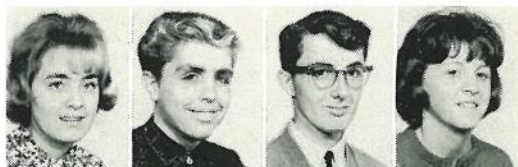

but occasionally they take time out to show respect for seniors.

Then at the end of a hard day, it's a "big" night out on the town!
